s I sit to write the editorial note I realized, February has been a month full of activity, colour and creativity. There has been an array of events that took place throughout the month. Basant panchami was evident, as the gardens were in full bloom so were the students of SBSPGI in full swing preparing for the annual day celebrations. While some got busy for the annual day, others were packing bags for their educational trips.

The sequence of activity ranged from concluding meet of annual sports, the 'SAPTRANG' which encompassed rangoli competition, collage and card making, face painting, photography competition. There was a rejoicing melody of the old days in the air as the old pals relived the moment back in the Institute at Grand Alumni Reunion.

The educational trips included trip to Indore for Physiotherapy students who attended the 52nd National IAP Conference. Their participation was a huge success with lot of prizes coming our way.

Enthusiasm and ambition was what could be felt in every sphere. I feel the phrase "all work and no play makes jack a dull boy" was well proven in this month. The students were relatively relieved from their hectic academic schedules and they got a chance to nurture and portray their hidden talents.

I appreciate the management of the Institute for providing this platform to the students of the Institute and students form Universities and colleges all round the nation at the National Debate Competition. It is commendable that an Institute of post graduate level gives such an opportunity to its students. This adds on to the over all development of our students. Because we aim not only to educate them but to produce a complete professional, well versed in all aspects of professional and personal growth.

So long live SBSPGI, AND FOR NOW ALL OF YOU ENJOY READING THE SPECIAL ISSUE OF NEWSLETTER.

The time to showcase the efforts of the Publication and Creative Writing Society with release of the XIII volume of Institute's annual magzine "Endeavour", which is the mirror of the Institute and showcases literary talents of students and their creativity with words. The magazine was officially released by Prof. V.K. Jain, Vice Chancellor, Uttarakhand Technical University & Doon University, Dehradun on 26th Feb, 2014. The cover story in the magazine was on Uttarakhand Tragedy, though the role of the Institute was covered in detail, the names of faculty, staff and students were erroneously missed. Similarly name of Treasurer of Dramatic Society was incorrectly printed. The Editorial Board tenders apologies for both these mistakes and is posting a corrigendum in the current issue.

HELPING HANDS FOR UTTARAKHAND CATASTROPHY The tragedy at Uttarakhand is about the fury of nature. It's the causative; the consequences though are aggravated by sloth, complicity and criminal negligence. The cloudburst and subsequent impact was

simply the proximate cause. Uttarakhand has witnessed man-made disasters and natural calamities in four of the past seven years. It's an active seismic zone, prone to earthquakes. It's prone to landslides, given its river line geography, avalanches and hailstorms. The state is nestled in India's ecologically fragile zone and is the hub of temple tourism. Neither the geography nor the cultural context can be changed. But the risks can be better managed. Yet, every 'Don't' in the book was 'Done'. Flash floods resulting from extremely intense rainfall swept away mountainsides, villages and towns, thousands of people, animals, agricultural fields, irrigation canals, domestic water sources, dams, roads, bridges, and buildings — anything that stood in the way. The beginning of these

flash floods became what was the end of everything.

Hampered by the intermittent rains, the rescue operations in the calamity hit areas were continued by the Indian Army, though there were still thousands of villages that were left disconnected. The furious emotions were encountered by the Institute's team of physiotherapists those were the victims of the natural calamity that occurred in Uttarakhand on 16th June 2013. The team was led by Dr. Siddharth Sen accompanied by Mr Bhupender, Mr Tiwari and students: Varuna Gupta, Anjali Sharma, Navpreet Kaur, Chaavi Arora, Vatsal Bhansali, Alok Bhatt, Asif Malik, Isshaan Malik and Irshad Ahmed. The Team was stationed at Govind Ghat to provide free 'Seva' to the pilgrims of Hemkund Saheb and rescued by the ITBP Jawans. They witnessed the magnitude of the calamity and described the pain and sufferings that were left behind for the local people, left with no food, no shelter.

The SBS community believes that it has a moral responsibility to ensure the well-being of the distressed and displaced survivors in a national tragedy of Uttarakhand. An appeal to all the members of the community, including teaching and non teaching staff to contribute a day's salary was responded positively. A five member team of Sardar Bhagwan Singh P.G. Institute of Biomedical Sciences and Research led by Dr Siddharth Sen and Dr Kumar Sachin along with Mr Naveen Dhyani, Mr. Sujeet Chettri and Mr. Kulanand Thapliyal, went to the remote areas of the Kedarnath valley with the relief material including food and daily need material. The main purpose was to provide the relief material including food, cloths etc to the people residing in the remote areas Kedar valley. The team was flagged off on 23rd July following the non-conventional route through Tehri-Ghansali-Mayali-Jakholi-Guptkashi.

The team with their grit and determination overcome the hurdles and hardships of the devastated hilly terrain and finally reached on 26th July 2013 to the base camp at Narayankoti in Guptkashi Tehsil. The team interacted with the Gram Pradhans of Jaltalla, Kalimath, Trijuguninarayan, Jalmalla and other nearby affected villages. The people of this region were cut off from the mainland and were at the dearth of starvation because of the shortage of food and basic necessities. The relief material including basic commodities like, packed food items, packaged water bottles, blankets, buckets and medicines were distributed on 28th July to the villagers of Jalmalla, Kabilta and Jaltalla.

The students of the Institute appreciated the efforts made by the staff members and thereby made an appeal to all the other students to come forward and make a contribution of small amount from their pocket money to help the calamity hit people. The Institute Captains Mr. Naval Kishore, M.Pharm 2nd year, Ms. Maitri Chaturvedi, MPT 2nd year, Vice Captains Ms. Sanjam Chandana B.Sc. Biotechnology 3rd year and Mr. Abhishek Diwevedi BPT 4th year, Student Secretary, sports club, Ms. Deepika Khanna M.Sc. Biotech. 2nd year, along with entire M.Sc. Microbiology students made contributions for the second phase of relief campaign. For the second phase of contribution the entire SBS community is putting the best foot forward to work for this noble cause. These selfless efforts to serve the mankind and responsibility towards the society are an integral part of the SBS family that would further be continued with the same zeal and efforts as done earlier and always.

True Sportsmanship is Excellence in Motion

We Are winners! Hearing the chants from the cheering team and seeing those fabulous grandstands of each house, we knew it was the time of Annual Athletics that brings the four houses closely together. In addition to getting the medals, the friendship formed between students and the sense of belonging they feel towards their houses and SBS, are the rewards that we get from the sports day. The results are shown in the table for various track & field events.

The Nature Club, SBSPGI organized Inter-House Competition for Floral Rangoli and Fresh Flower Arrangement which was an annual spectacle of creative floristry. The competition featured an impressive variety of arrangements and marked a triumphant rejuvenation of the perfect blend and floristry, art and creativity. The events was inaugurated by Sardarni Harenderpal Kaur and was judged by Mrs. Jyoti Singh, Dr. Sheetal Singh and Prof. Versha Parcha.

The display boards were exhibiting the perfect moments captured by young and budding photographers of SBSPGI on 14th Feb, 2014. Institute's Photographic Club "LENSAMO" organized an Inter-house Photography Competition, showcasing beautiful moments, scenic beauty captured, which was a treat for eyes. It was a great visual treat to appreciate the creative endeavor from the students of all the houses. The competition was held in three categories viz. nature, wildlife/pet and portrait/festival. Around 40 participants exhibited their photographs on a wide variety of subjects. The renowned photographer Mr Abhay Goyal presided the judgment along with Prof. G.R.S. Bisht and Dr. Vishal Rajput. The showcase of the Clubs activities, the SBS Photo Gallery, was inaugurated in the Pharmacy Block by Prof V.K. Jain, Vice Chancellor, Uttarakhand Technical University & Doon University on 26th Feb, 2014.

Erythrina have bright red flowers; legume-type fruit, sometimes called pods, containing one of more seeds. Particularly in horticulture, the name coral tree is used as a collective term for these plants. Many birds visit the nectarrich Erythrina flowers. The growth of the branches can resemble the shape of sea coral. Some coral trees are used widely in the tropics and subtropics as street and park trees, especially in drier areas.
