

HIMALAYAN DAY CELEBRATION HELD AT SBSPGI

To create awareness about the Himalayan Ecosystem and the challenges related to the declining conditions of Himalaya, Sardar Bhagwan Singh P.G. Institute of Biomedical Sciences and Research, Balawala, organized a seminar on the occasion of “**Himalayan Day**” on 9th Sept, 2017.

The seminar focused on the vast biodiversity of Himalayan ranges in Uttarakhand. Focusing on the issue, Mr. Mayank Bahuguna, Institute Boy’s Vice Captain, informed on the major biodiversity threats and challenges imposed by the humans. Ms. Somya Joshi recited an inspirational poem on Himalayas. The concern about the challenges of Himalayan region shown

by the students was well evident with the speeches presented by Ms. Sakshi Gupta and Mr. Pankaj Bhandari. A presentation on Himalayas was given by Dr. Vikash Jadon, Associate Professor, Department of Biochemistry and Biotechnology that emphasized on the role of students from scientific discipline to work for the restoration of Himalayan wealth. The programme was coordinated by Ms Zeenat Bazmi, Institute Girl's Vice Captain. Present on the occasion were Col. (Retd) I.P.S. Walia, Prof Versha Parcha, Prof Veerma Ram, Dr. Reena Kumari along with faculty members and students.
