

## Seeds and Seedlings distributed by SardarBhagwan Singh Post Graduate Institute, Balawala

Seeds and seedlings of seasonal vegetables like Okra, French beans, Cucumber, Bottle gourd, Sponge gourd, Ridge gourd, Brinjal etc. were distributed free of cost among the local peoples in a programme conducted by Nature Club of Sardar Bhagwan Singh Post Graduate Institute, Balawala. The program was inaugurated by Managing Secretary of the Institute Dr. Gaurav Deep Singh. Convener of the club Mr. Ankush Sundriyal, Co - Convener Dr. Anupama Singh, members Dr. Niki Nautiyal and Mrs. Apoorva Aggarwal actively participated in the distribution and briefed the public about organic farming in kitchen garden. The aim of distribution of seed and seedlings of vegetables was to promote cultivation of commonly used seasonal vegetables and organic farming in their kitchen garden among the peoples of Balawala region, especially the youngsters and also encourage environment protection by minimizing the use of chemical fertilizers and pesticides.
