Sh. S. P. Singh, Chairman and Prof. F. C. Garg, Director motivated students, faculty members and other staff to participate actively in this voluntary blood donation camp.

The donors went through a series of Medical checkups before donating blood. The response to the camp was excellent. A total of 190 units of blood were collected. The donors were given the certificate of appreciation. We hope that in future our Institute continues to render its name and support to such social causes and help humanity in all the ways possible. Dr. M. K. Chakraborty and Blood Donor Club of Institute contributed their maximum efforts for the success of this camp.
